Prospective Member Application

The Missoula Artists' Cooperative is a partnership of member artists who join together to operate The Artists' Shop, a gallery in downtown Missoula featuring high quality local and regional art and fine crafts. We provide our members the opportunity to work cooperatively to sell their work. We periodically have openings for new members and are seeking artists currently creating work exhibiting creativity, originality, and mastery in a medium for inclusion in an active registry of potential new partners.

A cooperative is a unique business structure. We encourage you to consider these requirements for membership before submitting a resume:

- All work must be created by the applicant, representing one artistic medium
- Members are responsible for their own display and inventory maintenance, work retail shifts in the store (usually 2 days per month), fulfill responsibilities on at least one committee (work that adds up to one or two days a month), and must attend regular Board meetings, and host two First Friday Gallery nights per year
- Members pay rent (currently \$100 per month) and 5% of sales to The Artists' Shop

The Artists' Shop also accepts artists' work for consignment. Please see our website, MissoulaArtistsShop.com for more information.
